

Killarney Captures League Title

A crowd of over 500 turned out to watch the fourth game in the Crystal City-Killarney playoff series for the intermediate championship here Saturday. Interest of local fans was high because of the fact this was their team's last chance to keep the series going, the opposition having won two of the three previous games.

However, their hopes were vain since the players were unable to match the form displayed in their win of a week

ago. Killarney took a one-goal lead early and remained ahead throughout to win 5-3.

Unfortunately Clint Smith's knee, which had been under the doctor's care since the game a week before, again took him off the ice early and although he returned later, another encounter resulted in his being helped to the bench and his retirement from the game.

Gardiner, McKay and Sandercock did the scoring for the losers. Goalies Duncalfe and Hastings were both good.

Another game was lost to Miami, Thursday, 6-4 in which

Sandercock, Hoogland, Giesbrecht and McKittrick were the goalgetters.

In their 2-game total point final competition the CC Pee Wees won out with 2-1 and 4-4 scores.

Tom Thumbs won over Cartwright 3-2 Wednesday of last week but lost to Morden Monday 8-2. This latter game, played here, was first of the 2-game final series.

The Bantams defeated Clearwater-Mather boys 2-0 Friday. Barry Alderson scored both goals. On Friday the Midgets again lost to Pilot Mound 11-6.
